I request that health information regarding my care and treatment be accessed as set forth on this form. I can choose whether or not to allow Pelham Physical Medicine D&TC to obtain access to my medical records through the health information exchange organization called Healthix. If I give consent, my medical records from different places where I get health care can be accessed using a statewide computer network. Healthix is a not-for-profit organization that shares information about people’s health electronically to improve the quality of healthcare and meets the privacy and security standards of HIPAA, the requirements of the federal confidentiality laws, 42 CFR Part2, and New York State Law. To learn more visit Healthix’s website at www.healthix.org.

The choice I make in this form will NOT affect my ability to get medical care. The choice I make in this form does NOT allow health insurers to have access to my information for the purpose of deciding whether to provide me with health insurance coverage or pay my medical bills.
